to W9YT. This is to con-
firm and thank you for
our QSO of 17 July 1967
at 2137Z on 20 meters.
Your SSB signals were
5x9+ on my Swan 350.

Enjoyed talking with
you, Alan. Journalism must be a rather interesting
career, from what you said. The very best to you
from down here,

I would appreciate your card, at your convenience.
